Description of the benefits and good qualities of the product.

Suzie's story

Suzie used to be miserable whenever she had a special celebration. Her parties were famous, but for all the wrong reasons. The music was rubbish, the lights were only one colour and all they did was go on or off, and the only thing that bounced was when people fell asleep and slipped off their chairs! For years, she was known as Suzie Snoozey! - Humour

That was until she bought the Ballistic Bouncing Boogie Ball.

All of a sudden, her parties were transformed. She had all best best tunes, the most dazzlingly sparkling lights, and the Ballistic Bounce mode pulled in crowds from all over town. Literally overnight, Suzie's parties became so popular, people had to queue outside to get in! They loved it so much, they now call her Suzie Boogie!
