

Pupil Premium Grant Expenditure Report to Parents 2013/14

Pupil Premium Grant

The Pupil Premium Grant is allocated for the educational benefit of children at the school. The Pupil Premium is additional to main school funding and has been allocated to address inequality and disadvantage. It is based on pupil eligibility for free school meals (FSM) and children who have been “looked after” (CLA).

The additional funding can be spent by the school on any support, resource or intervention that improves the performance of the pupils for whom the grant was allocated.

The table below shows the allocation of Pupil Premium for the academic Year 2013 – 14.

The planned expenditure for this allocation will be to provide additional support by teaching assistants in the classroom, in small group tuition and on a 1:1 individual basis.

FSM/CLA children will also have the opportunity to access a range of extra-curricular activities, including a residential visit and music tuition.

St. Mary's School benefits considerably from the Pupil Premium Grant and it contributes to the pupils' success in terms of attainment and progress. As the money is mostly dependent upon our free school (FSM) meal allocation we encourage those families who are eligible to claim for FSM's to do so. Guidance on claiming free school meals can be obtained from the School Office 7708309 or the Free School Meal service on 770 6688.
