

## This is St. Mary's School Council

Our School Council has an important role as the children's voice within the school. We meet every two weeks to talk about school issues and fundraising events. New representatives from Year 2 to Year 6 are elected in September.

Have a look at our new School Council display in the Junior Area to see what roles we all have.

This year our aims are to:

- selecting the charities for which to raise funds;
- maintaining a school council website page;
- organising intra school competitive sports events;
- improving the use of suggestion boxes in classes;
- be involved in organising Friendship and E-Safety weeks;
- work with the Support Group for improvements to our playground equipment;
- Selecting new PE equipment;
- Review real books to take home as readers.
