

This is St. Mary's School Council

2018 -2019

Our School Council has an important role as the children's voice within the school. We meet regularly to talk about school issues and fundraising events. New representatives from Year 2 to Year 6 are elected in September.

Have a look at our new School Council display in the Junior Area to see what roles we all have.

This year are aims are to:

- selecting the charities for which to raise funds this year, planning and leading Worship and ensuring pupils understand the difference they have made to other people's lives..
- involvement in organising friendship and e-safety weeks.
- involve more pupils in the decision making by taking questions to classes to vote upon.
- plan themed days/weeks with the relevant staff.
- review the pupil survey and actions they can take forward.
- bring forward class suggestions to be considered by the SLT.
