

St Mary's Primary School Council

Sept 2019-July 2020

School Council Aims

- To be a voice for the children of St Mary's CE Primary School
- To suggest ideas which will promote improvements throughout the school
- To support fundraising and charity events as appropriate

Successes

There have been many over the years – including:

- Representing the schoolchildren and the school at New Parents' Evenings
- Raising money and organising events such as Comic Relief and Save the Children Christmas Jumper Day
- Helping to design an anti-bullying leaflet for children
- Helping to make decisions about extra-curricular activities
- Developing and maintaining a School Council web page

This year:

- We aim to support current fundraising and investigate ways to raise more money
- We aim to fully investigate each and every suggestion made by children
- We aim to become more autonomous and run and organise ourselves
- We aim to look at green and eco issues concerning our school
- We aim to look at improving lunchtimes and playtimes
