a title.

Summarise your
blog.

Add your name.

A screenshot of a 'Create Post' form. The form has a title field with the placeholder text 'Title', a summary field, and a large content field. Above the content field is a rich text editor toolbar with icons for bold (B), italic (I), underline (U), bulleted list, numbered list, decrease indent, increase indent, font size, font family, text color (A), background color, link, unlink, and image. At the bottom right of the form are 'Save' and 'Cancel' buttons.

- 7) Click in the large box below the 'Content' section. Type in this box .
- 8) Click on Save to post the comment.

The screenshot shows a 'Create Post' form with the following sections:

- Title:** A text input field with the placeholder text 'Title'.
- Summary:** A text input field.
- Content:** A large text area for the main content. Above this area is a rich text editor toolbar containing icons for bold, italic, underline, strikethrough, link, unlink, bulleted list, numbered list, indent, outdent, font size, font family, text color, background color, and image upload. A large blue arrow points from the text instructions above to the 'Content' text area.
- Buttons:** At the bottom right, there are two buttons: 'Save' (purple) and 'Cancel' (orange).
