

Oldham EHWB Local Offer

Please select from the links below to access Oldham's Emotional Health and Well-Being Local Offer.

[Early Help](#)

Anyone can use this form to make a referral to Oldham's Multi-Agency Safeguarding Hub (MASH team) when there are individuals or families needing support or when there are children or young people needing support for mental health issues.

[TOGMIND](#)

Tameside, Oldham and Glossop MIND are a charity that support children and families in our area. They hold a drop-in session on Thursday evenings 4PM-7PM from their office at Positive Steps, 80 Union Street, Oldham OL1 1DJ. This is the main access point to their service, and all young people will be asked to attend a drop in before any further services will be offered. There are time slots available to reserve for drop ins. You do not need an appointment to take your child, should you have any concerns about their emotional health and mental wellbeing. You can call them on 0161 330 9223.
