

L C - Can I talk about being creative and what I enjoy doing when I am creative?

I feel _____ when I am creating something.

I have created _____

Draw a picture of what you have created. Choose anything you want. For example, you might like creating using boxes, paints, playdough, construction toys. Or you might like creating something by baking, or gardening.

Other things that I like to create are _____

Ask a member of your family to describe how they feel about your creation. _____
