LC: Can I use prepositions of place?

LC: Can I describe a setting?

1) Match the prepositions of place below to the numbers that show the relation of the circle to the cube.

beside in behind on between
 next to below above

2) Add prepositions of place to the following sentences.

The engine roared _____ his boat.

The waves crashed _____ the shore.

_____, the morning sun shone brightly.

_____, the horizon stretched for miles.

3) Make a senses map to show what you could be seen, heard and felt when Fausto sails across the sea.

Write your ideas beside each image. Use adjectives to form noun phrases, i.e. *a cool, blustery sea breeze, some choppy crashing waves, thick black smoke from the chugging, old engine*

4) Have a go at writing sentences to describe the scene in each picture.

Remember to:

- Use prepositions of place
- Use expanded noun phrases
- Write a complex sentence using **as** or **when**
