

Year 6 Week Beginning 7/2/21

Please read the following information for this week's home learning.

Our recommended book this week from **Get Epic** is: **'How to be a person' by Catherine Newman** (we'll be reading this in class too so you can keep up!) You can use the class code **cex3689** and search for yourself, or you can use the link below:

https://www.getepic.com/book/80585276/how-to-be-a-person?utm_source=t2t&utm_medium=link&utm_campaign=content&share=30532943069

GO TO GETEPIC.COM ENTER CLASS CODE: cex3689 and read along...

Your logins for Purple Mash, spag.com, maths.com, IXL and My Maths are in the front of your Green Reading Record book.

Remember to write your date and LC at the top of your work.

Watch out for occasional **LBQ** home learning tasks as I set them for extended learning sometimes. I will announce on **SEESAW** and share the codes as needed - the codes last for the whole day. If you log in and see the task paused, it should not be for very long: it simply means I have paused it whilst I talk to the class in school.
