

St Mary's CE Primary School

Year 2 Overview

“Love one another as Jesus loved us”
(John 13 v 34-35)

Year 2 Long term plan 2022

Subject	Term 1 (Sept-Oct)	Term 2 (Nov/Dec)	Term 3 (Jan/Feb)	Term 4 (Mar/April)	Term 5 (May/June)	Term 6 (July/Aug)
English Reading/ Writing Genre	<p>Narratives - The Great Fire of London</p> <p>Poetry Patterns</p> <p>Information text (Non Chronological Report)–Explorers</p> <p>Key Texts Morning comes</p> <p>The magic box by Kit Wright</p> <p>Christopher Columbus</p> <p>Neil Armstrong</p> <p>Vlad and the Great Fire of London</p> <p>Classic poetry and poems learnt by heart</p>	<p>Instructional writing</p> <p>Letters</p> <p>Key Texts</p> <p>The Disgusting Sandwich</p> <p>How to annoy your teacher</p> <p>Mrs Claus</p> <p>How to capture a Dragon</p>	<p>Recount</p> <p>Fantasy Stories</p> <p>Stories with a familiar setting (Contemporary)</p> <p>Different stories by the same author.</p> <p>Key Texts Christmas recount</p> <p>Where the wild things are</p> <p>Seaside Stories</p> <p>Katie Morag</p>	<p>Different stories by the same author. (Katie Morag, Lighthouse Keeper)</p> <p>Information text (Non Chronological writing)</p> <p>Key Texts Katie Morag and the camping story The Lighthouse Keeper’s Lunch info text about chicks</p>	<p>Poetry - Riddles Letters Extended stories – Adventure</p> <p>Key Texts Riddles Dear Miss letter</p>	<p>Science Fiction Poetry- humour</p> <p>Key Texts Beyond the stars The Way Back Home The morning the alien came to visit Humorous verse by Spike Milligan Stories by significant authors/Alan Ahlberg - Please Mrs Butler</p>

St Mary's CE Primary School

Year 2 Overview

“Love one another as Jesus loved us”
(John 13 v 34-35)

	<p>Grammar Correct choice and consistent use of present tense and past tense throughout writing Embellish simple sentences using adjectives e.g The boys peeped inside the dark cave. Expanded noun phrases for description and specification [for example, <i>the blue butterfly, plain flour, the man in the moon</i>] How the grammatical patterns in a sentence indicate its function as a statement or command</p>	<p>Grammar Co-ordination (using <i>or, and, but, so</i>) Embellish simple sentences using adverbs e.g Tom ran quickly down the hill. Types of sentence- statement, question, exclamation or command.</p>	<p>Grammar Sub-ordination (using because, if, that, when) Use of the progressive form of verbs in the present and past tense to mark actions in progress [for example, <i>she is drumming, he was shouting</i>] is/was/were How the grammatical patterns in a sentence indicate its function as a statement, question, exclamation or command. Time openers.</p>	<p>Grammar Correct choice and consistent use of present tense and past tense throughout writing Time openers.</p>	<p>Grammar</p>	<p>Grammar Subordination (using <i>when, if, that, because</i>) and co- ordination (using <i>or, and, but</i>) Alliteration</p>
	<p>Punctuation Use of capital letters, full stops to demarcate sentences Capital letters for proper nouns.</p>	<p>Punctuation Commas to separate items in a list</p>	<p>Punctuation Use of capital letters, full stops, question marks and exclamation marks to demarcate sentences .</p>	<p>Punctuation</p>	<p>Punctuation Apostrophes to mark where letters are missing in spelling and to mark singular possession in nouns [for example, <i>the girl's name</i>]</p>	<p>Punctuation Speech bubbles</p>

			Apostrophe to mark where letters are missing in spelling.			
	<p>SPELLING/PHONICS The /dʒ/ sound spelt as ge and dge at the end of words, and sometimes spelt as g elsewhere in words before e, i and y The /s/ sound spelt c before e, i and y The /n/ sound spelt kn and (less often) gn at the beginning of words The /r/ sound spelt wr at the beginning of words The /aɪ/ sound spelt -y at the end of words e.g fly, try Common exception words. told, hold, gold, cold, old, both, only, most, climb, wild, pupils, child, behind, mind, kind, find, because, poor, floor, door</p>	<p>SPELLING/PHONICS Adding -ing, -ed, -er, -est and -y to words of one syllable ending in a single consonant letter after a single vowel letter Adding -er, -est to the adjective to a root word where there is no change. (REVISION) Adding the endings -ing, -ed, -er, -est and -y to words ending in -e with a consonant before it The /ɔ:/ sound spelt a before l and ll e.g all, walk, talk Common exception words. After, beautiful, pretty, steak, break, great, even, everybody, every, Christmas, many, any, whole, who</p>	<p>SPELLING/PHONICS Adding s, es to words (plural nouns and third person singular verbs) (REVISION) Adding -es to nouns and verbs ending in -y Adding -ed, -ing, -er and -est to a root word ending in -y with a consonant before it The suffixes -ment, -ness, -ful, -less and -ly The /i:/ sound spelt -ey e.g. monkey, valley Contractions Common exception words. Would, should, could, eye, bath, path, plant, pass, grass, class, father, past, last, fast</p>	<p>SPELLING/PHONICS Words ending in -tion The /l/ or /əl/ sound spelt -le at the end of words The /l/ or /əl/ sound spelt -el at the end of words The /l/ or /əl/ sound spelt -al at the end of words Words ending -il The sound spelt or after w /ɜ:/ The sound spelt ar after w /ɜ:/ The /ʌ/ sound spelt o e.g. other, mother Common exception words. parents, Mr, Mrs, money, half, again, water, people, busy, clothes, sugar, sure, improve, prove, move, hour,</p>	<p>SPELLING/PHONICS The possessive apostrophe (singular nouns) The /b/ sound spelt a after w and qu e.g want, quantity</p>	<p>SPELLING/PHONICS Homophones and near-homophones The /z/ sound spelt s e.g. treasure, television</p>

Maths	<p>Number and Place Value Read and write numbers to at least 100 in numerals and in words. Recognise the place value of each digit in a two digit number (tens, ones) Identify, represent and estimate numbers using different representations including the number line. Compare and order numbers from 0 up to 100; use <, > and = signs. Use place value and number facts to solve problems. Count in steps of 2, 3 and 5 from 0, and in tens from any number, forward and backward.</p> <p>Number – Addition and Subtraction Recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100. Add and subtract numbers using concrete objects, pictorial representations, and mentally, including: a two-digit number and ones; a two-digit number and tens; two two-digit numbers; adding three one-digit numbers. Show that the addition of two numbers can be done in any order (commutative) and subtraction of one number from another cannot. Solve problems with addition and subtraction: using concrete objects and pictorial representations, including those involving numbers, quantities and measures; applying their increasing knowledge of mental and written methods.</p>	<p>Measurement: Money Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value. Find different combinations of coins that equal the same amounts of money. Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change.</p> <p>Multiplication and Division Recall and use multiplication and division facts for the 2, 5 and 10 times tables, including recognising odd and even numbers. Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (×), division (÷) and equals (=) signs. Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods and multiplication and division facts, including problems in contexts. Show that the multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot.</p> <p>Measurement: length and height Choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C);</p>	<p>Statistics Interpret and construct simple pictograms, tally charts, block diagrams and simple tables. Ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity. Ask and answer questions about totalling and comparing categorical data.</p> <p>Number – fractions Recognise, find, name and write fractions 13, 14, 24 and 34 of a length, shape, set of objects or quantity. Write simple fractions for example, 12 of 6 = 3 and recognise the equivalence of 24 and 12.</p> <p>Position and Direction Use mathematical vocabulary to describe position, direction and movement including movement in a straight line and distinguishing between rotation as a turn and in terms of right angles for quarter, half and three-quarter turns (clockwise and anti-clockwise). Order and arrange combinations of mathematical objects in patterns and sequences</p> <p>Problem solving and Efficient methods.</p> <p>Measurement: Time Tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a</p>		

	<p>Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.</p> <p>Geometry properties of shape Identify and describe the properties of 2-D shapes, including the number of sides and line symmetry in a vertical line. Identify and describe the properties of 3-D shapes, including the number of edges, vertices and faces. Identify 2-D shapes on the surface of 3-D shapes, [for example, a circle on a cylinder and a triangle on a pyramid.] Compare and sort common 2-D and 3-D shapes and everyday objects.</p>		<p>capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels Compare and order lengths, mass, volume/capacity and record the results using >, < and =</p> <p>Measurement: Mass, Capacity and Temperature Choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels Compare and order lengths, mass, volume/capacity and record the results using >, < and =</p>		<p>clock face to show these times. Know the number of minutes in an hour and the number of hours in a day. Compare and sequence intervals of time.</p> <p>Investigations</p>	
<p>Science</p>		<p>Everyday Materials - Strand Physics</p> <p><u>How magnificent are materials?</u></p> <p>identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock,</p>	<p>Everyday Materials - Strand Physics</p> <p><u>How magnificent are materials?</u></p> <p>find out how the shapes of solid objects made from some materials can be changed by squashing, bending,</p>	<p>Animals Including Humans - Strand Biology</p> <p><u>What's amazing about animals?</u></p> <p>notice that animals, including humans, have offspring which grow into adults</p>	<p>Plants Strand Biology</p> <p><u>Who can grow the tallest plant?</u></p> <p>observe and describe how seeds and bulbs grow into mature plants</p> <p>find out and describe how plants need water,</p>	<p>Living Things and Their Habitats Strand Biology</p> <p><u>What lives in a habitat like this?</u></p> <p>explore and compare the differences between things that are living, dead, and things that have never been alive</p> <p>identify that most living things live in habitats to</p>

		<p>paper and cardboard for particular uses</p> <p><i>some materials are used for more than one thing (metal can be used for coins, cans, cars and table legs; wood can be used for matches, floors, and telegraph poles) or different materials are used for the same thing (spoons can be made from plastic, wood, metal, but not normally from glass).</i></p> <p><i>properties of materials that make them suitable or unsuitable for particular purposes</i></p>	<p>twisting and stretching</p>	<p>find out about and describe the basic needs of animals, including humans, for survival (water, food and air)</p> <p>describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene</p> <p><i>introduced to the processes of reproduction and growth in animals.</i></p> <p><i>egg, chick, chicken; egg, caterpillar, pupa, butterfly; spawn, tadpole, frog; lamb, sheep. Growing into adults can include reference to baby, toddler, child, teenager, adult.</i></p>	<p>light and a suitable temperature to grow and stay healthy</p> <p><i>introduce the requirements of plants for germination, growth and survival, as well as to the processes of reproduction and growth in plants.</i></p> <p><i>observe similar plants at different stages of growth; setting up a comparative test to show that plants need light and water to stay healthy.</i></p>	<p>which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other</p> <p>identify and name a variety of plants and animals in their habitats, including microhabitats</p> <p>describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food</p> <p><i>introduced to the terms ‘habitat’ (a natural environment or home of a variety of plants and animals) and ‘microhabitat’ (a very small habitat, for example for woodlice under stones, logs or leaf litter).</i></p> <p><i>how living things depend on each other, for example, plants serving as</i></p>
--	--	---	---------------------------------------	---	--	--

						<p>a source of food and shelter for animals.</p> <p>compare animals in familiar habitats with animals found in less familiar habitats, for example, on the seashore, in woodland, in the ocean, in the rainforest.</p> <p>sorting and classifying things according to whether they are living, dead or were never alive</p> <p>construct a simple food chain that includes humans (eg, grass, cow, human).</p>
	<p>Working Scientifically (ongoing development): Identify and classify; observe closely, using simple equipment; perform simple tests; use observation and ideas to suggest answers to questions; gather and record data</p> <p>During years 1 and 2, pupils should be taught to use the following practical scientific methods, processes and skills through the teaching of the programme of study content:</p> <ul style="list-style-type: none"> ● asking simple questions and recognising that they can be answered in different ways ● observing closely, using simple equipment ● performing simple tests ● identifying and classifying ● using their observations and ideas to suggest answers to questions ● gathering and recording data to help in answering questions 					
Religious Education	<p><u>Questful R.E</u> Unit 2.1 - The Bible– Why is it such a special book?(6 hrs)</p>	<p><u>Questful R.E</u> Unit 2.2 – Christmas</p>	<p><u>Questful R.E</u> Unit 2.5- Why is the Church a special place for Christians? (6hrs)</p>	<p><u>Questful R.E</u> Unit 2.4 – Easter</p>	<p><u>Non Christian Faith-</u> Where do people of other faiths worship? (4hrs - Follows on from Unit 2.5)</p>	<p><u>Questful R.E</u> Unit 2.6 – What happened at the</p>

	<p><u>Non Christian Faith-</u> Do people of other faiths have holy books? (4 hrs) Quran/ Torah / Guru Granth Sahib/Vedas.</p>	<p>Why was the birth of Jesus such good news? (4hrs) <u>UC- Unit 1.3-</u> Why does Christmas matter to Christians? (Going Deeper p4/5) (Incarnation)</p>		<p>How do symbols help us to understand the story? (5hrs) <u>UC- Unit 1.5-</u> Why does Easter matter to Christians? (Going Deeper p4/5) (Salvation)</p>	<p><u>Questful R.E</u> Unit 2.3 – Jesus, friend to everyone. (6hrs) UC- Unit 1.4- What is the good news Jesus brings? (Gospel)</p>	<p>Ascension and Pentecost? (4hrs)</p>
<p>Computing</p>	<p>E Safety to include emails Check it's for real <i>CEOP Lee and Kim Twinkl – E-safety – Year 2 – Lesson 3 – Be The Judge</i></p> <p>Send and receive class emails and understand email conduct <i>Purple Mash- 2 Email</i> Think before you share, protect yourself and be brave https://www.commonsense.org/education/lesson/follow-the-digital-trail-k-2</p>	<p>Data retrieving and organising Create graphs from data collected <i>Purple Mash -2 Graph, 2 Count</i></p>	<p>Algorithms and programs Use floor turtles to explore $\frac{1}{4}$, $\frac{1}{2}$ and full turn and sequencing of instructions <i>Bee Bots</i> Explore screen turtle to input sequences and draw shapes <i>Purple Mash -2 Go(teacher options control 2 and 3)</i> Understand the screen turtle can be directed through the use of text. Use repeat and timer commands. Debug a program. <i>Purple Mash – 2.1 Coding</i></p>	<p>Data retrieving and organising Use a data base and use search tools <i>Purple mash – 2 Investigate</i></p>	<p>Communicating and presentation Know digital content can be represented in many forms. Add clip art. Add photos. Structure information a table. Manipulate and present digital content and information. <i>Purple Mash – 2.8 Presenting ideas</i></p>	

	<p>Can I identify kind and unkind behaviour online?</p> <p><i>Twinkl – E-safety – Year 2 – Lesson 5 – Being Kind Online</i></p>					
<p>E Safety will be revisited at the start of each half term</p>						
<p>Using technology – reinforce across the curriculum.</p>						
<p>Explore technology in a range of jobs and look at the purposes of their uses and why they are needed for a variety of roles.</p>						
<p>Geography</p>			<p>Geography - Locational knowledge and Geographical skills</p> <p><u>Where in the World ?</u></p> <p>Use world maps, atlases and globes to identify the 7 continents and the 5 oceans</p> <p>Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map</p> <p>Human and Physical Geography, Place Knowledge and Geographical skills</p> <p><u>What adventures can we have by the sea?</u></p> <p>Isle of Coll</p> <p>use basic geographical vocabulary to refer to:</p>	<p>Place Knowledge and Geographical skills</p> <p><u>Is Mexico Marvellous ?</u></p> <p>Focus on a small contrasting non - European area: Tocuaro, Mexico and compare with where we live (Oldham)</p> <p>Use basic geographical vocabulary to refer to:</p> <ul style="list-style-type: none"> ● key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation. ● key human features, including: city, town, village, farm, house, office, and shop 		

			<ul style="list-style-type: none"> • key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation. • key human features, including: city, town, village, farm, house, port, harbour and shop <p>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key</p>		
	Ongoing development of geographical skills and fieldwork				
History	<p><u>Do they have the X factor?</u> Events beyond living memory that are significant Nationally Gunpowder plot Remembrance Day Great Fire of London</p> <p>The lives of significant individuals in the past who have contributed to International achievements. Some to be used to compare aspects of life in different periods. Christopher Columbus Neil Armstrong</p>				
	Ongoing development of chronological understanding and historical enquiry skills				
Art	<p>Drawing <i>Experiment with tools and surfaces draw a</i></p>	<p>Printing <i>Create prints by pressing, rubbing, stamping.</i></p>	<p>Textiles <i>Basic weaving Sort match and name different materials</i></p>	<p>Painting <i>Mix paint to create secondary colours</i></p>	

	<p>way of recording experiences and feelings. Discuss use of shadows, use of light and dark. Sketch to make quick records Great Fire of London pictures as final piece.</p>	<p>Awareness and discussion of patterns, repeating patterns, symmetry and tessellation</p>	<p>Group fabrics & threads by colour & texture Weave with different materials to create texture eg wool, card, cloth, ribbon? Isle of Coll topic Examine different styles of tartan using materials and photographs. Children to make weaving circles– wool, card, cloth, ribbon (focus on textures, as well as technique)</p>		<p>Mix colours and predict outcomes Show control of colour Understand / make tints and tones Stormy seas -adding texture to painting using sand, sawdust, pva Stormy sea –small picture in middle and enlarge picture by painting around. Study of K. Hokusai –link to knowledge skills.</p>	
<p>Design Technology</p>		<p>Textiles Templates and Joining Puppets</p>		<p>Mechanisms Wheels and Axels Vehicles Henry Ford</p>		<p>Food Origins of Food Link to Geography Topic or Knowledge of Continents (Savoury)</p>

St Mary's CE Primary School

Year 2 Overview

“Love one another as Jesus loved us”
(John 13 v 34-35)

Physical education (PE)	<p>Gymnastics - high and Low</p> <p>‘Cityscapes & Landscapes’ Unit Twinkl Y2</p> <p>Games – Net and Wall Basic bat & ball skills Year 2 Bat and Ball Unit Pack lessons Twinkl</p>	<p>Dance</p> <p>The Gunpowder Plot Unit Twinkl Move PE</p> <p>Gymnastics – spinning, turning, twisting</p>	<p>Dance</p> <p>At the seaside LCP KS1 dance: (6 lessons)</p> <p>Gymnastics linking movement. Twinkl Year 2 Move Under the Sea (builds on balance and movement / sequencing from previous unit)</p>	<p>Games Invasion Handball -passing & receiving (lead sport focus) Moving into space (Used as intro to effective use of movement / space) Incorporates Twinkl Move PE Unit – Invasion Games</p> <p>Games Striking and Fielding Catching and throwing skills</p> <p>Twinkl Move PE Y2 Throwing & Catching Unit</p>	<p>Games- Football skills</p> <p>Twinkl Move PE KS1 Football Skills Pack (6 lessons skills)</p> <p>Dance copying movement, using pattern, change & culture over time. T MOVE PE Plants Unit Pack</p>	<p>Athletics Running, jumping focus- Year 2 Animal Olympics T MOVE Unit Pack</p> <p>Athletics Multi-Skills</p> <p>Build on Olympics Theme and Sports Day Prep</p>
	Additional sessions to promote exercise for good health ie Daily Mile					
RSHE (inc British Values and RSE)	<p>Family and people who care for us (R1.2)</p> <p>Being Safe (R5.2, R5.3)</p>	<p>Caring friendships (R2.2)</p> <p>Respectful relationships (R3.2)</p>	<p>Online Relationships (R4.2)</p> <p>Internet Safety and harms (H7.2, H7.3)</p>	<p>Health and prevention (H11.2, H11.3)</p>	<p>Physical health and fitness (H8.1)</p> <p>Healthy eating (H9.1)</p>	<p>Family and people who care for us (R1.2)</p> <p>Being Safe (R5.2, R5.3)</p>

St Mary's CE Primary School

Year 2 Overview

“Love one another as Jesus loved us”
(John 13 v 34-35)

			<p>Mental wellbeing <i>(H6.3, H6.4)</i></p> <p>Basic first aid <i>(H12.1)</i></p>			
<p>British Values</p>	<p>Democracy: <i>Election of School Council</i></p> <p>Tolerance of Different Beliefs and Faiths: <i>Different faiths have different holy books</i></p> <p>Rule of Law: <i>Bullying is wrong</i></p>		<p>Individual Liberty: Making the correct, healthy choices, making good choices about to stay safe on line, how to raise money for MacMillan Coffee morning</p> <p>Mutual Respect: <i>Co-operation /</i> <i>Treat each other with respect, including those in authority</i></p>		<p>Mutual respect: Respect other people’s privacy</p> <p>Tolerance of Different Faiths and beliefs: Where do people of other faiths worship ?</p>	
<p>Global Citizenship</p>					<p>One World: Families, The Environment and Caring for our Planet</p>	
<p>Music</p>	<p>Pitch Notation</p> <p>Music Express: Water</p>	<p>Duration (Pulse and Rhythm) Tempo</p> <p>Music Express: Pattern</p>	<p>Dynamics Texture Structure</p> <p>Music Express : Storytime Spring 1</p>	<p>Pitch</p> <p>Music Express : Seasons Spring 2</p>	<p>Texture Timbre</p> <p>Music Express : Our Land Summer 1</p>	<p>Duration (Pulse and Rhythm) Texture Structure</p> <p>Music Express : Our Bodies Summer 2</p>

St Mary's CE Primary School

Year 2 Overview

**“Love one another as Jesus loved us”
(John 13 v 34-35)**

							Music Express : Ourselves Summer 2
--	--	--	--	--	--	--	---------------------------------------
